

# **“Eric Plant bvba: Your fastest and most efficient access to the Belgian nurseries”**

‘Eric Plant bvba’ is a Belgian trade company that has developed 15 years of experience as an international by and sales company of Belgian nursery products.

Since 2002, the company has been settled in a modern building in the centre of the Belgian nursery region, Lochristi. By this strategic situation and an efficient cooperation with several transport companies, ‘Eric Plant bvba’ can satisfy your logistic nursery need as no other company can.

By means of this clear profiling as a Belgian trade company, ‘Eric Plant bvba’ has build a strong an reliable reputation with his clients. Correctness, speed and reliability are the keywords of this Belgian trade company. It is focussed exclusively on the merchandising of Belgian potted plants and nursery products. We are your ideal partner for hidden production pearls as well as for mega supermarket orders.

The skilled, competent and 6 member counting sales team of ‘Eric Plant bvba’ provides the right product at a correct market price for your company and your customers.

By it’s compact company structure and it’s intensive trade relations with both customer and producer, ‘Eric Plant bvba’ is your fastest and most efficient access to the Belgian production companies.
